The Focus

This focused professional learning webinar is designed to equip teachers with the tools, strategies, and confidence to support their students in the lead-up to final exams.

The webinar will explore:

- **Key knowledge and skills** from the study design that deserve extra attention
- **Practical, high-impact tasks** to use with students in the classroom or remotely
- **Engaging revision activities** that boost understanding and retention
- **Useful resources** to support targeted and effective exam preparation
- **Tips and expert advice** to help students revise effectively and manage exam stress

Whether you're a new or experienced teacher, this webinar will help ensure that you—and your students are fully prepared for the final stretch.

The Australian Professional Standards for Teachers

The Victorian Institute of Teachers has implemented the Australian Professional Standards for Teachers.

Please note: it is the responsibility of each teacher to keep their own professional learning records and, after each event, to reflect upon, and note, the learning acquired.

For this professional learning program, VCTA identifies the following standards as applicable. Please note however, that the extent of learning may differ to some degree between the varying VCE subject programs offered.

2. Know the content and how to teach it

2.2 Organise content into coherent, well-sequenced learning and teaching programs.

2.3 Design and implement learning and teaching programs using knowledge of curriculum, assessment and reporting requirements.

3. Plan for and implement effective teaching and learning

3.2 Plan and implement well-structured learning and teaching programs or lesson sequences that engage students and promote learning.

6. Engage in professional learning

7. Engage professionally...

7.4 Participate in professional and community networks and forums to broaden knowledge and improve practice.
